NOTICES OF MOTION

SUPPLEMENTARY REPORT

Executive Summary

The following Notice of Motion was received before the deadline following the publication of the Council agenda.

Councillor W Forster

“This Council notes that our residents’ closest diagnostic centres are currently in Ashford, Chertsey and Guildford. At present Woking residents often have to travel outside the Borough for medical tests or a diagnosis.

This Council warmly welcomes and fully supports the decision to open a community diagnostic centre at Woking Community Hospital. The planned expansion of a diagnostic hub in Woking is in line with the NHS Long Term Plan will provide a local, accessible service for our residents. The Council recognises that access to the new services has the potential to improve our residents quality of life and may help to save lives.

This Council believes that the decision to open a strategic community diagnostic hub in Woking is a clear example of this authority’s close working relationship with our key partners, especially Ashford and St Peters NHS Trust, Surrey Heartlands Integrated Care Board and CSH.”
