WOKING BOROUGH COUNCIL'S FORWARD PLAN OF KEY DECISIONS

Under the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012, Woking Borough Council is required to publish a notice setting out the key decisions to be taken by the Council at least 28 clear days before the decision is made. In addition, the regulations require the Authority to publish details of any decisions to be taken in private at a meeting of the Executive at least 28 clear days before the meeting. It is intended that, by publishing the Plan, the citizens of Woking will be able to find out the expected timing of key decisions, who will take them and also the consultation mechanisms available.

For completeness this plan lists all the decisions to be taken by the Executive.

Key decisions are decisions made in connection with the discharge of a function which is the responsibility of the Council's Executive which is likely to result in:

The Council incurring expenditure which is, or the making of savings which are, significant having regard to the Council's budget for the service or function to which the decision relates, or

Significant effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the Council.

Key decisions can be taken by an individual Member or officer on behalf of the Executive under delegated powers.

Contact details for members of the Executive and the Council's Corporate Leadership Team are set out in this document.

Any reports relevant to the key decisions or the listed background documents (with the exception of confidential information) can be viewed on the website (www.woking.gov.uk), at the Civic Offices, or a copy can be purchased for a reasonable fee.
