

SURREY WELFARE RIGHTS UNIT – APPLICATION FOR FINANCIAL ASSISTANCE

Executive Summary	
<p>An application for financial assistance has been received from the Surrey Welfare Rights Unit, an organisation which provides specialist support to local organisations who give benefit advice, as well as directly taking on the most complex benefit cases.</p> <p>The Unit has applied for £10,000 to contribute to covering their core costs, in particular its advice line and specialist casework. In recognition of the key role the Organisation plays for the voluntary sector, Woking Borough Council has supported the Unit for a number of years both with grant funding and providing the charity with premises at the Monument Way Depot.</p> <p>The Unit continues to provide invaluable advice and support to charities across the County, working closely with statutory agencies. It is recommended that, in accordance with the previous decisions of the Executive and in view of the continuing specialist services provided, the Council's support is continued in the coming year and that a grant of £10,000 is awarded.</p>	

Recommendations	
The Executive is requested to:	RESOLVE That a grant of £10,000 be awarded towards core costs, in particular the advice line and specialist casework.

Please note that accounts for other years may also be required.</p> <p>Monitoring Information. The Organisation must submit quarterly monitoring information as a measure of its achievements. Failure to provide details will jeopardise the award. E-mail requests will be sent to the applicant on a quarterly basis.</p> <p>Publicity. Where possible, the Organisation is required to publicise the support received from Woking Borough Council, including on all literature and leaflets produced.</p> <p>Payments. Unless exceptional circumstances exist all invoices must be received quarterly with details of the costs incurred and monitoring information for the previous quarter.</p> <p>Payment Period. 	<p>Groups which refuse may place their Council support at risk, e.g. grant, concessionary rent and other assistance.</p> <p>Homelessness Reduction Act 2017. With the introduction of new legislation from April 2018, the council will expect the support of partner agencies in identifying people at risk of homelessness as early as possible to maximise the opportunities to prevent such. Partner agencies / organisations will be expected to be engaged in joint working arrangements to assist in finding suitable housing and support solutions, and where appropriate to undertake and respond to the new 'duty to refer'. Groups which do not support this new legislation and way of working positively may put their Council support at risk.</p>
Performance Indicators	<p>Users. The Organisation to provide a breakdown of the users in the past quarter.</p> <p>Activities. The Organisation to provide details of activities and events held during the last quarter.</p> <p>Publicity. The Organisation to advise how the Council's support has been publicised over the last quarter.</p> <p>Statement of Use. The Organisation to provide a statement stating the use to which the grant money has been put.</p>
Future Support	<p>The financial pressure on the Council's budgets is expected to continue in the coming years and accordingly the overall level of support available in future years may be reduced. The applicant is therefore to be advised that the award of funding for 2020/21 does not imply that a similar application in 2021/22 would be supported. In particular, it is emphasised that the Council is unlikely to be in a position to award any sums above the 2020/21 levels.</p> <p>In view of this, the applicant is to be advised to ensure that contingency plans for the Group's operations for 2021/22 have been drawn up in the event that the Council is unable to continue its support beyond April 2021. All applicants are strongly recommended to pursue alternative sources of funding and are encouraged to approach Woking Borough Council's Community Support Team for advice and support.</p>

The Executive has authority to determine the above recommendations.

<p>3.2 Consultee Comments</p>	<p><u>Elspeth Andrews, Development Officer for Volunteer Woking</u></p> <p>Surrey Welfare Rights Unit provides expert legal advice on benefits and community care. The Unit has been set up as a support organisation meaning that it provides services to organisations who deliver advice rather than direct to the public.</p> <p>Surrey Welfare Rights has requested Revenue Funding to the sum of £10,000 to cover the core running costs, in particular towards the costs of delivering the advice line and specialist casework services.</p> <p>The organisation continues to have an important role to play within the Woking community supporting public services and providing accurate information and guidance to our residents. With this in mind we would support the continued level of funding from previous years at £10,000.</p>	
<p>3.3 Assessment</p>	<p>Surrey Welfare Rights Unit is an independent charity that provides specialist support to local organisations who give benefit advice, as well as directly taking on the most complex benefit cases. The Unit has applied for £10,000 to contribute to covering their core costs, in particular their advice line and specialist casework. Woking Borough Council has supported the Unit for a number of years both with grant funding and providing the charity with premises at the Monument Way Depot.</p> <p>The Group is continuing to explore project funding particularly for Universal Credit support. This would add capacity at a time when demand is increasing, as opposed to funding current core services. The Group will continue to develop its training programme which generates new income whilst seeking new subscribers. The Carer's contract with funding from the Better Care Fund will continue into 2019/20, with grants also received from Surrey County Council and several Boroughs and Districts.</p> <p>According to the applicant, almost every local organisation that provides benefit advice and support now subscribes to the advice line. The Unit points out that in its most recent survey, the advice line reported that 93% of advisers were "very satisfied" with it. The survey also revealed that only 18% of organisations had sufficient resources to help clients with benefit appeals including representation at tribunals. Since Universal Credit was rolled out locally there has been a 25% increase in enquiries when compared with a year ago. Issues dealt with have risen by 62% reflecting the complex nature of this new benefit and how it affects legacy benefits.</p> <p>Since 2010 the number of enquiries that the Unit is dealing with has doubled. It has increased its funding sources so that it can cope with the additional demand. This has included increasing subscriptions and training income this year; undoubtedly due to the arrival of Universal Credit. Training has been run outside of the county and to all the Surrey boroughs and districts that still run open grant schemes.</p>

The Unit's statutory funding has not increased for eight years, but it is still a vital part of core funding.

Each time an adviser is trained on a new area of social security law or practice, they then help hundreds more people with that new knowledge. Every Upper Tribunal case won makes caselaw that helps other local residents in similar circumstances. Each time the Unit successfully gets a disabled person's PIP reinstated, not only do they have that additional income but their Carer, if they have one, can claim Carer's Allowance. One single household that is helped to restore their Universal Credit or Housing Benefit can save thousands of public funds if homelessness is prevented. Confirmed benefit gains for Advice Line queries totalled £646,354, with £55,182 directly to Woking residents. The Unit is noted to be cost-effective, responsive and unique in what it does at a local level.

The Unit continues to provide invaluable advice and support to charities across the County, working closely with statutory agencies. It is recommended that, in accordance with the previous decisions of the Executive and in view of the continuing specialist services provided, the Council's support is continued and that a grant of £10,000 is awarded for the coming year.
