EXECUTIVE – 14 DECEMBER 2017

YOURSANCTUARY – APPLICATION FOR FINANCIAL ASSISTANCE

Executive Summary

The Council has supported yourSanctuary for many years, providing funding initially under a tripartite arrangement with Surrey Police and Surrey County Council to provide outreach support in Woking. The positive work undertaken contributes greatly to the quality of life of the people who use the service. There is a diverse and strong range of services on offer to clients which forms an essential part of the support needed to increase the safety of the public and reduce the effects of Domestic Abuse in Woking.

The Charity has applied for revenue support of £21,607 in the 2018/19 financial year. The funding would support the costs of the Domestic Abuse Outreach and Helpline provision in Woking, whilst also contributing to the recruitment and development of volunteers to support the Helpline and the Community Outreach Programme. In its application, the Group has set out the clear and tangible benefits of the service in Woking, alongside the nature of Domestic Abuse indicating that a number of incidents go unreported and therefore a number of victims are not receiving support and help.

It is recommended that the application should be supported at the same level as for the current year of £19,200.

Recommendations	
Reasons for Decision	To enable the excellent and valued work of the Group tackling Domestic Abuse to take place.
Legal Authority	S142 Local Government Act 1972
The Executive is requested to:	RESOLVE That funding of £19,200 be awarded towards the cost of the service.
Conditions	Accounts . The Organisation must submit audited accounts for the year in which the grant is awarded, including an income and expenditure account and balance sheet. Please note that accounts for other years may also be required.
	Monitoring Information . The Organisation must submit quarterly monitoring information as a measure of its achievements. Failure to provide details will jeopardise the award. E-mail requests will be sent to the applicant on a quarterly basis.
	Publicity . Where possible, the Organisation is required to publicise the support received from Woking Borough Council, including on all literature and leaflets produced.
	Payments . Unless exceptional circumstances exist all invoices must be received quarterly with details of the costs incurred and monitoring information for the previous quarter.
	Payment Period . Final quarter claims must be made by the second week in March. Unclaimed awards will not be available at a later date unless exceptional circumstances can be demonstrated to the Council

ſ	before the end of the award year.
	Joint Working . WBC expects the Organisation to engage positively on health and wellbeing multi-agency joint work affecting Woking. Groups which refuse may place their Council support at risk, e.g. grant, concessionary rent and other assistance.
	Homelessness Reduction Act 2017. With the introduction of new legislation from April 2018, the council will expect the support of partner agencies in identifying people at risk of homelessness as early as possible to maximise the opportunities to prevent such. Partner agencies / organisations will be expected to be engaged in joint working arrangements to assist in finding suitable housing and support solutions, and where appropriate to undertake and respond to the new 'duty to refer'. Groups which do not support this new legislation and way of working positively, may put their Council support at risk.
	Venue Hire. Woking Borough Council has a duty to ensure that publicly-owned venues and resources do not provide a platform for extremists and are not used to disseminate extremist views. This duty extends to organisations that work with the local authority so this includes recipients of any grants from Woking Borough Council. If you hire out your venue/s you should ensure you have good processes in place for record keeping and checking if they are an appropriate group to be making the hire arrangements. The following are some of what should be considered:
	 Basic details should be recorded to include speakers address, mobile phone number & organisation details. Has the identity of the speaker been confirmed & is their organisation bona fide? Are they known to you? Is the speaker from the area? Are they UK citizens or from overseas & will they travel specifically for this event? Consider checks on the internet to confirm the status of speaker to include website, YouTube or social media sites. How many people are likely to attend (check previous or similar events either locally or online).
Performance Indicators	Users. The Organisation to provide a breakdown of the users in the past quarter.
	Activities. The Organisation to provide details of activities and events held during the last quarter.
	Enquiries. The Organisation to provide a breakdown of the enquiries received during the last quarter.
	Publicity. The Organisation to advise how the Council's support has been publicised over the last quarter.
	Statement of Use. The Organisation to provide a statement stating the use to which the grant money has been put.
Future Support	The financial pressure on the Council's budgets is expected to continue in the coming years and accordingly the overall level of support available in future years may be reduced. The applicant is therefore to be advised that the award of funding for 2018/19 does not imply that a similar application in 2019/20 would be supported. In particular, it is emphasised that the Council is unlikely to be in a

position to award any sums above the 2018/19 levels. In view of this, the applicant is to be advised to ensure that contingency plans for the Group's operations for 2019/20 have been drawn up in the event that the Council is unable to continue its support beyond April 2019. All applicants are strongly recommended to pursue alternative sources of funding and are encouraged to approach Woking Borough Council's Community Support Team for advice and support.

The Executive has authority to determine the above recommendations.

2.0 Financial Backgrou	2.0 Financial Background	
2.1 Budget	At the time of the application, the Group held £198,952 in the bank. The sum of £48,084 is restricted for use on specific projects including services in refuge, helpline and the wider community.	
	The Group has submitted a budget for 2018/19 which shows an anticipated income of $\pounds 641,379$ against an anticipated expenditure of $\pounds 718,118$, resulting in an anticipated deficit of $\pounds 76,740$.	
	Regarding the forecast deficit, the Group has commented that in previous years the budget has included income from trusts to which grant applications were intended to be made for year ahead. As these applications were not always successful, for the 2017/18 budget the 'hoped for' income has not been included so that the full extent of the gap in funding can be seen. A number of grant applications are being submitted to funders to minimise the deficit at the year-end, a number of which are likely to be successful. It should be noted that in the past two financial years the Group has made a small surplus. Anticipated income includes housing benefit (£163,698), SCC Supporting People (£154,342), PCC funding (£105,000) and Crime & Disorder Partnership (£98,083). Items of expenditure include salaries (£513,843), Housing Association charges (£52,808), maintenance	
	(£31,468) and telephone (£10,800).	
2.2 Accounts	The Group has submitted accounts for 2016/17 which show an income of £673,244 (£687,158 in 2015/16) against expenditure of £659,647 (£676,419 in 2015/16), resulting in a surplus of £13,597 (a surplus of £10,739 in 2015/16). The sum of £458,787 was carried forward at the end of the 2016/17 year.

3.3 Assessment	The Council has supported yourSanctuary for many years, providing funding initially under a tripartite arrangement with Surrey Police and Surrey County Council to provide outreach support in Woking. The positive work undertaken contributes greatly to the quality of life of the people who use the service. There is a diverse and strong range of services on offer to clients which forms an essential part of the support needed to increase the safety of the public and reduce the effects of Domestic Abuse in Woking.
	yourSantuary has forty years of experience in supporting those who are affected by domestic abuse in Woking and the need for its free helpline and outreach services continues to grow. The Group provides early intervention and support which reduces the risk of a crisis situation, meaning that the higher costs of emergency housing, health and justice services can be avoided.
	It is widely reported that 1 in 3 women and 1 in 6 men in Surrey will experience domestic abuse of some kind in their lifetime. This means that approximately 17,000 women and 8,000 men in the Woking area are statistically likely to experience domestic abuse. The majority of domestic abuse goes unreported to the Police, meaning that statutory agencies are unable to help, as they are not approached by the victims, or the thresholds for intervention are not met. These factors show why the free domestic abuse helpline and community outreach service is so important, as it gives Woking residents the opportunity to make contact directly and/or be referred for outreach help by a third party.
	The free and confidential service gives those who are affected by domestic abuse the opportunity to reach out for help, and with support, they are given the advice and tools to undo the short and long term damage caused by domestic abuse, and enable them to live a life free from fear. With regular monitoring and feedback from service users the Group is able to ensure that the services provided meet the needs of those in Woking who reach out for help.
	Woking Borough Council has supported yourSanctuary and its services in Woking since it was set up as a joint initiative in 2003. It also receives funding from Surrey County Council, Surrey Police and Crime Commissioner as well as trusts and donations from the general public. In addition to the grant application to Woking Borough Council, it is also applying for funding from Children in Need (£30k), Big Lottery Community Programme (£50k), Lloyds Bank Foundation (£25k) and Henry Smith (£10k).
	yourSanctuary plans to continue to engage with Woking residents to ensure that they are aware of the services and are able to access them as easily as possible through helpline and outreach services. All outreach service data is reviewed by the Surrey Community Safety Unit and re-issued to senior Surrey partners and reported at the Strategic Abuse Forum. At a more local level the service is considered and progressed at quarterly service review meetings.

The Charity has applied for revenue support of £21,607 in the 2018/19 financial year. The funding would support the costs of the Domestic Abuse Outreach and Helpline provision in Woking, whilst also contributing to the recruitment and development of volunteers to support the Helpline and the Woking Outreach Service. In its application, the Group has set out the clear and tangible benefits of the service in Woking, alongside the nature of Domestic Abuse indicating that a number of incidents go unreported and therefore a number of victims are not receiving support and help.
It is recommended that the application should be supported at the same level as for the current year of \pounds 19,200.
