

EXECUTIVE - 22 MARCH 2018

NOTICES OF MOTION

Executive Summary

At its meeting on 8 February 2018, the Council referred the following Notice of Motion to the Executive.

Councillor I Johnson

“The Council

- a) notes the national campaign ‘Changing Places’ which encourages the provision of public toilets which are accessible for people with such profound disabilities that they need additional facilities not met by the standard accessible toilets; and
- b) agrees to incorporate into the Victoria Square development the provision of a toilet which conforms to the standards requested by the Changing Places campaign.”

Officer Comment

“The Council has already recognised this campaign and explored installing a Changing Places toilet in the new toilets in Wolsey Place; however there was not enough space to do so. The specification for the Victoria Square development however has already incorporated a Changing Places toilet in its public toilets as part of the New Court area which is central to all the shopping areas in Wolsey Place, Peacocks and the new Victoria Square.

The Executive is therefore requested to note that the proposals sought by this Motion have already been actioned some three years prior to its submission.”
