

## NOTICES OF MOTION

### **Executive Summary**

The following Notices of Motion were received before the deadline following the publication of the Council agenda.

#### Councillor M Whitehand

“The Council will bring forward policies that ensure women feel safe when out and about in Woking’s public places. One of which should be the designation of women only parking places in its car parks during the hours of darkness, especially those sited near staircases and entrances. Women’s safety should feature greatly in its community safety programme and every endeavour be given in establishing what areas can be reviewed that would deliver such assurance.”

#### Councillor E Nicholson

“That Woking Borough Council notes that violence against women is a serious, prevalent, and preventable issue in our society.

Male violence against women must be ended, once and for all. Simply agreeing with the principle is not enough.

As a responsible authority we have a moral obligation to stand against and work to end male violence against women.

#### MOTION

Council recognises the importance of White Ribbon and its contribution as part of a global campaign taking action to stop male violence against women and resolves to become an accredited authority.

Council commits to making White Ribbon Day part of the civic calendar with ambassador-led activities involving staff, members and the public.

Council agrees to raise awareness of the White Ribbon Campaign through regular updates and features in internal and external communications and provide opportunity to highlight the work of the the Women’s Refuge and the Surrey Police and Crime Commissioner.

Council will provide support to staff and members to take the pledge never to commit, excuse or remain silent about male violence against women and to become ambassadors and champions. Council will work closely with local partnership agencies and organisations involved in tackling male violence against women to work towards making Woking a White Ribbon Borough.

Council commits to hosting annual awareness training for all members.”

#### Councillor A-M Barker

“Motion to update Goldsworth Park lake footpath lighting to LED system

Council notes that

Taking exercise in the open air has become increasingly popular in a Covid world.

Reducing journeys by carbon emitting vehicles is good for the climate change agenda.

Goldsworth Park lake path provides both a pleasant and enjoyable environment for exercise and a walking route for journeys across and around Goldsworth Park.

Well lit paths encourage use of walking routes, particularly in winter months.

Many people will not use paths with significant dark spots.

There have been recent failures of lights on the Goldsworth lake path and SERCO are struggling to find parts to fix the lights.

Unlike most lighting in the borough the lights around Goldsworth Park lake are the responsibility of Woking Council.

Surrey County Council is converting all of its lighting stock to more environmentally friendly LED lights, which last longer and have fewer problems.

Council calls for:

A review of options to secure replacement LED lighting for Goldsworth Park lake footpath, to include:

Investigating whether Surrey would take on the responsibility for these lights as there may be economies of scale to upgrade these lights alongside work on their own lighting stock

Exploring funding options from environmental funders to update the lights.

Look for funding that may be available from crime and safety budgets, including those held by the Police and Crime Commissioner.”
