Subject: Re: Licence Review of Doubletree Hilton, Victoria Way, GU21 8EW Woking

Good morning Matthew

There was another event at Doubletree Hilton which played very loud music until about 11pm on Saturday 4 November. Please see my logs below, which I also shared with Environmental Health.

As for the license review application, I understand that a hearing in front of the committee may place. For planning purposes would it be possible to know when this hearing may be, given the holiday season is coming up.

| Date | Time | Description |
|------------|-------|---|
| 04/11/2023 | 20:40 | Loud Bass |
| 04/11/2023 | 20:47 | Loud bass |
| 04/11/2023 | 21:07 | I went downstairs on church street east and can see the party lights and can hear the music clearly and the windows are shaking. Going inside and I can follow the music all the way to my flat. There isn't a way for me to do anything but listen to this because it is annoying anywhere in my flat. I consciously don't call EH as I try to meditative breathing to collect myself and calm down. |
| 04/11/2023 | 21:11 | Meditating interrupted by loud music . I am wearing ear plugs..... |
| 04/11/2023 | 21:17 | Meditating interrupted by loud music . I am wearing ear plugs..... |
| 04/11/2023 | 21:27 | Meditating interrupted by loud music . I am wearing ear plugs..... |
| 04/11/2023 | 21:57 | I have since given up on meditation and accept that I won't get to sleep tonight. Since I'm already so work up about the issue I start doing cardio workout on my to get control of my heart rate and breathing. |
| 04/11/2023 | 21:58 | Using my earphones to play loud music directly into my ears to avoid having to listen to the crap from downstairs |
| 04/11/2023 | 22:36 | Stepping off the hometrainer now and the music is still there and much louder than before. |
| 04/11/2023 | 22:44 | Last attempt to wind down but there is loud bass from downstairs... |
| 04/11/2023 | 22:55 | It's been more quiet now and can take my ear plugs out. Going to wind down for a bit and try not to think about this. |
| 04/11/2023 | 23:29 | Going to bed |

Kind regards
