	<p>before the end of the award year.</p> <p><b>Joint Working.</b> WBC expects the Organisation to engage positively on health and wellbeing multi-agency joint work affecting Woking. Groups which refuse may place their Council support at risk, e.g. grant, concessionary rent and other assistance.</p> <p><b>Venue Hire.</b> Woking Borough Council has a duty to ensure that publicly-owned venues and resources do not provide a platform for extremists and are not used to disseminate extremist views. This duty extends to organisations that work with the local authority so this includes recipients of any grants from Woking Borough Council. If you hire out your venue/s you should ensure you have good processes in place for record keeping and checking if they are an appropriate group to be making the hire arrangements. The following are some of what should be considered:</p> <ul style="list-style-type: none"> <li>• Basic details should be recorded to include speakers address, mobile phone number &amp; organisation details.</li> <li>• Has the identity of the speaker been confirmed &amp; is their organisation bona fide? Are they known to you?</li> <li>• Is the speaker from the area? Are they UK citizens or from overseas &amp; will they travel specifically for this event?</li> <li>• Consider checks on the internet to confirm the status of speaker to include website, YouTube or social media sites.</li> <li>• How many people are likely to attend (check previous or similar events either locally or online).</li> </ul>
Performance Indicators	<p><b>Users.</b> The Organisation to provide a breakdown of the users in the past quarter.</p> <p><b>Activities.</b> The Organisation to provide details of activities and events held during the last quarter.</p> <p><b>Publicity.</b> The Organisation to advise how the Council's support has been publicised over the last quarter.</p> <p><b>Statement of Use.</b> The Organisation to provide a statement stating the use to which the grant money has been put.</p>
Future Support	<p>The financial pressure on the Council's budgets is expected to continue in the coming years and accordingly the overall level of support available in future years may be reduced. The applicant is therefore to be advised that the award of funding for 2019/20 does not imply that a similar application in 2020/21 would be supported. In particular, it is emphasised that the Council is unlikely to be in a position to award any sums above the 2019/20 levels.</p> <p>In view of this, the applicant is to be advised to ensure that contingency plans for the Group's operations for 2020/21 have been drawn up in the event that the Council is unable to continue its support beyond April 2020. All applicants are strongly recommended to pursue alternative sources of funding and are encouraged to approach Woking Borough Council's Community Support Team for advice and support.</p>

**The Executive has authority to determine the above recommendations.**

## Woking Street Angels – Application For Financial Assistance

Surrey Police and us for the key part they have played in reducing the levels of violence in the town centre and improving the feeling of safety. They are out on Friday and Saturday nights from 10pm to 4am. They continue to work closely with the local policing team and have ongoing excellent relationships with the door staff of the various licensed premises. Their key work is in helping to support some of the most vulnerable individuals who are out and about in the town centre at the weekends. They assist them with the provision of water, flip flops and blankets, help them to arrange transport home or signpost them to appropriate services. I believe that their early intervention is helping reduce violence in the evenings, which in turn reduces the demand on our limited police resources. In addition, they improve the look and feel of the town centre and make it feel safer by clearing up bottles and cans as they patrol, which reduces litter and the possibility of these being used as missiles. A Woking Borough Council officer attends their Operations Meetings to support them. They work hard to source funding opportunities from a range of organisations, as well as running fund raising events. This fundraising is always a challenge, but, because of the important work they do in supporting a safe town centre, I feel it would be helpful if we could provide some funding too.

Sylvie Marshall, Community Development Manager

Woking Street Angels was formed in 2011 to help anyone in need. The aim is for trained volunteers to walk the streets of Woking Town Centre every Friday and Saturday night, whatever the weather, from 10pm till 4am, working with the police, club/pub door staff, council staff and medical services. The objective is to ensure night-time visitors to have a pleasant and safe experience in the town.

Funding is intended to help meet the cost of the Co-ordinator role and also fund the supplies carried by the Street Angels in their ruck sacks whilst on duty. These items include bottled water, flipflops, blankets, lollipops, dustpan and brush, foil emergency blankets, basic first aid and rental two-way radios.

I would recommend that the full amount of £2,000 requested be granted to support Woking Street Angels. This amount was also granted in 18/19.

### 3.3 Assessment

Formed in 2010, Woking Street Angels aim is to make the streets of Woking safer and more hospitable for all people during the late evening and early morning hours. Woking Street Angels' objective is to provide a caring, stabilising presence and to assist those who are vulnerable, distressed or lost to get to a place of safety. This presence in Woking and other towns (such as Guildford and Camberley) has led to a reduction in crime and violence and benefits all members of the community, especially the night-time economy.

Woking Street Angels was formed in July 2010, and registered as a Charity in October 2010. Its support is targeted at those in need on the streets during the evening in the town centre and it is offered to all in need, irrespective of age, race, origin or religion.

Whilst the Street Angels are volunteers, the Group employs a Co-ordinator who helps to plan the rotas, deals with queries, provides support to the Street Angel teams, including training, and handles all procurement matters.

Woking Street Angels help people in a number of different ways, for

## Woking Street Angels – Application For Financial Assistance

example:

- providing foil blankets to keep people warm
- providing bottles of water given to those dehydrated or sick from the effects of alcohol and other substances
- escorting vulnerable people, especially females to taxis or other means of getting home safely
- helping those sick and injured, including the victims of violence, fights, etc. calling for paramedic help if necessary or administering minor First Aid
- providing support to the homeless
- talking to those in despair, the lonely, those upset by broken relationships, separated from friends and just being a listening ear
- providing flip flops to girls in bare feet no longer able to walk on high heels
- providing directions
- giving guidance on agencies who may be able to help those in need with personal difficulties/domestic issues
- generally aiming to be a calming influence and presence in Woking town centre leading to greater safety.

The Applicant has stated that the grant would be greatly beneficial in supporting the costs of running the Woking Street Angels operation; most particularly in supporting the salary of the Co-ordinator. The employment of the Co-ordinator is essential in managing rotas whilst also advertising for and encouraging volunteers to apply to become Street Angels. Other ongoing costs such as insurance (public liability, employers, indemnity etc.), radio and phone rentals and office expenses also have to be met by the grants applied for.

The Group has been actively seeking grants from various sources and have also been engaging with organisations, Woking Rotary and businesses within the local area to obtain funding to ensure that visitors and residents remain safe at night. On top of this, the Group undertakes small fundraising events such as charity walks, dinners and local fairs and have received donations from local churches, legacies and Woking Active Retirement. All trustees continually work to raise funds and find new recruits to become street angels.

Taking into account the consultee comments which note that the beneficial impact of the work of the Group during the night-time economy on Friday and Saturday nights, it is recommended that the application be supported at the same level as for the current year of £2,000.
