

**WOKING SHOPMOBILITY – APPLICATION FOR FINANCIAL ASSISTANCE**

<b>Executive Summary</b>	
<p>An application for financial support has been received from Woking Shopmobility to assist with the Charity's running costs. ShopMobility was set up with the aim of enabling barrier-free access to shopping and business facilities in Woking by providing self-driven motorised equipment or manual wheelchairs. Users of the service can also ask for the assistance of a wheelchair pusher if required.</p> <p>The Group is applying to extend its existing revenue funding of £12,500 in 2019/20. It should be noted that prior to 2012/13, the funding level approved for the Group was set at £22,494. However in 2012/13, a grant of £10,000 was received from the Town Centre shopping centres in Woking for a period of three years which reduced the level of funding required from the Council by the same amount. The purpose of the grant is to enable the Group to provide a regular service six days a week and maintain the wide range of equipment needed to meet the requirements of their clients.</p> <p>The Group highlights that over the course of the past year approximately 835 users made around 3,650 visits. Since opening in 1989, there have been over 77,000 visits. It is recommended that a grant of £12,500 be awarded for 2019/20.</p>

	<p>week in March. Unclaimed awards will not be available at a later date unless exceptional circumstances can be demonstrated to the Council before the end of the award year.</p> <p><b>Joint Working.</b> WBC expects the Organisation to engage positively on health and wellbeing multi-agency joint work affecting Woking. Groups which refuse may place their Council support at risk, e.g. grant, concessionary rent and other assistance.</p> <p><b>Homelessness Reduction Act 2017.</b> With the introduction of new legislation from April 2018, the Council will expect the support of partner agencies in identifying people at risk of homelessness as early as possible to maximise the opportunities to prevent such. Partner agencies / organisations will be expected to be engaged in joint working arrangements to assist in finding suitable housing and support solutions, and where appropriate to undertake and respond to the new 'duty to refer'. Groups which do not support this new legislation and way of working positively may put their Council support at risk.</p> <p><b>Venue Hire.</b> Woking Borough Council has a duty to ensure that publicly-owned venues and resources do not provide a platform for extremists and are not used to disseminate extremist views. This duty extends to organisations that work with the local authority so this includes recipients of any grants from Woking Borough Council. If you hire out your venue/s you should ensure you have good processes in place for record keeping and checking if they are an appropriate group to be making the hire arrangements. The following are some of what should be considered:</p> <ul style="list-style-type: none"> <li>• Basic details should be recorded to include speakers address, mobile phone number &amp; organisation details.</li> <li>• Has the identity of the speaker been confirmed &amp; is their organisation bona fide? Are they known to you?</li> <li>• Is the speaker from the area? Are they UK citizens or from overseas &amp; will they travel specifically for this event?</li> <li>• Consider checks on the internet to confirm the status of speaker to include website, YouTube or social media sites.</li> <li>• How many people are likely to attend (check previous or similar events either locally or online).</li> </ul>
Performance Indicators	<p><b>Users.</b> The Organisation to provide a breakdown of the users in the past quarter.</p> <p><b>Activities.</b> The Organisation to provide details of activities and events held during the last quarter.</p> <p><b>Publicity.</b> The Organisation to advise how the Council's support has been publicised over the last quarter.</p> <p><b>Statement of Use.</b> The Organisation to provide a statement stating the use to which the grant money has been put.</p>
Future Support	<p>The financial pressure on the Council's budgets is expected to continue in the coming years and accordingly the overall level of support available in future years may be reduced. The applicant is therefore to be advised that the award of funding for 2019/20 does not imply that a similar application in 2020/21 would be supported. In particular, it is emphasised that the Council is unlikely to be in a position to award any sums above the 2019/20 levels.</p>

In view of this, the applicant is to be advised to ensure that contingency plans for the Group's operations for 2020/21 have been drawn up in the event that the Council is unable to continue its support beyond April 2020. All applicants are strongly recommended to pursue alternative sources of funding and are encouraged to approach Woking Borough Council's Community Support Team for advice and support.

#### 3.2 Consultee Comments

Councillor Hilary Addison:

Having studied the grant application I support the view that Woking Shopmobility is a key element in helping Woking Borough Council achieve it accessibility for all people.

As an active Trustee I can confirm it is a professionally run organisation which provides an excellent service to a wide range of Woking residents increasing their independence reducing loneliness and enhancing the shopping experience.

It is a community based project essential to help our town centre develop while providing good publicity for the Council by advertising their support at fun raising events.

Fundraising events include the pancake race – Two teams of Borough Councillors and/or past Mayors take part in this event

At Christmas fantastic hampers are raffled – the principal characters from the Christmas Pantomime usually pick out the winning tickets.

Sylvie Marshall, Community Development Manager

Woking Shopmobility was created in 1989 as a mayoral charity with the aim of providing barrier free access to shopping and business facilities in Woking town centre. Users have a significant economic contribution to the town, whilst the scheme also promotes independence and social inclusion.

## Woking Shopmobility – Application For Financial Assistance

	<p>Woking Shopmobility supported 835 users with 3,650 visits to the town last year and work closely with Woking Community Transport to provide a seamless package for those with limited mobility in the local area.</p> <p>I would recommend that the full requested amount of £12,500 be awarded in line with the £12,500 grant awarded in 18/19 to continue this valued service for Woking’s residents and visitors.</p>
3.3 Assessment	<p>Woking Shopmobility’s aim is to provide barrier free access to shopping and business facilities in Woking by provision of self-drive motorized equipment or manual wheelchairs. The project is opened to all but traditionally the clients have been the elderly and registered disabled, with the addition of accident sufferers, or people recovering from operations or sufferers of other medical conditions.</p> <p>The Group is applying to extend its existing revenue funding of £12,500 in 2017/18. During 2017/18, there were 835 users of the service, with 3,650 visits being made. The total number of visits since the project started (1992) is over 77,000. Demand has risen such that the Group is now considering opening on a Sunday, should the resources be found (as it stands, services are offered six days a week). The Group also notes that demand has not dropped while development work has taken place in Woking Town Centre.</p> <p>The Group prides itself in making retail facilities in Woking town centre accessible for all and works with Woking Community Transport to ensure “a seamless Home to Shop experience for people with limited mobility”, contributing to the economic viability of the town.</p> <p>Fundraising activities undertaken include the Annual Pancake race, Christmas and Easter Tombola, Quiz night, Christmas party, and bucket collections at Ambassadors and Woking Football club. The monthly tombola also raises £500 per annum.</p> <p>The grant of £12,500 has been provided since 2012/13, and now constitutes around 26% of their income. A further 21% is provided by Woking Shopping and 35% from membership and user fees, with the remainder accrued through donations and fundraising. The Group notes that a reduction in grant funding would lead to a rise in charges per visit for users.</p> <p>Accordingly it is recommended that the Council’s support is continued and that a grant of £12,500 is awarded for 2019/20.</p>
